Parent reps were recommended by campus principals.

SHAC Meeting Dates:

October 13, 2021

January 12, 2022

March 9, 2022

May 4, 2022

Summary of Activities:

I. Human Sexuality Programs

A. AIM for Success Presentation for 6th, 8th & 10th Grade Students

1. The parent program was held prior to the student presentation to allow parents to preview the program. Parents must opt in if they choose for their student to participate.

B. Recommendation for 2022-2023 for Abstinence Based Sex Education

1. AIM for Success for 6th, 8th, 10th Grade Students

II. Nutrition

1. All sites are now following menus. Menus are also more diversified.

Our quality and presentation of the meals has drastically improved. We offer 20% more seasonal fruits and veggies at all sites. Have shifted focus to scratch cooking.

2. Changed marketing at all sites and incorporated Lion Pride Way.
3. Whole Muscle chicken products at secondary campuses
4. Considering "nutritional breaks" mid morning

III. Physical Education

A. Campuses Utilized FitnessGram

1. Required for 2021-22. All HFZ's remained the same. TEA did not subscribe to the FitnessGram reporting platform. Therefore, Coach Drake is collecting data from each campus and will submit to the state on behalf of EISD.

IV. Wellness Programs

A. Student Wellness Programs

1. The District's wellness program was reviewed during the first SHAC meeting. Specific events held were:
 - New York Road Runners
 - Red Ribbon Week
 - Fantastic Teeth - Dental Packets provided by Masonic Home
 - Wellness Wednesday Bulletins
 - Breakfast in the Classroom
 - Lions Club Eye Van vision screening and glasses program
 - Communities in Schools support @ Lummus, Miller and Ennis JH
 - Poison Prevention

- Immunization Program through Aurora Concepts

2. Hands Only CPR Training was provided to all graduating seniors as a requirement for graduation.
3. Narcan Grant - provided doses of Narcan to Intermediate, Jr. High and High School nursing staff and campus police.
- 4.

B. Staff Wellness Programs

1. Employee Flu Shot Clinic
2. Campus Based Challenges such as Biggest Loser Contests
3. Wednesday Wellness Bulletins
4. Project Adam Cardiac Emergency Drills
5. Hep B series for Employees, if necessary
6. All Ennis ISD employees are provided Wellvia with the cost covered by the District
7. Texas Mobile Imaging

C. Changes for 2022-2023

1. Considering nutritional breaks for students mid-morning during passing periods to alleviate the students feeling hungry and increase brain functioning.
2. Consider an eyeglass drive to collect gently used/broken glasses to be refurbished through the Lion's Club.
3. Communities in Schools - consider the counselors moving from grade level to grade level with their students. The rapport has been made, would continue to build on the progress that has been made.
4. Will continue to partner with Aurora Concepts to encourage immunization health within the district.
