

Ennis ISD Field Trip Guidelines

All campuses shall follow this field trip regulation.

Off campus, non-competitive field trips shall not be taken between January 1st through the date of the state assessment for the campus unless the trip is for non-tested grade levels or campuses where state assessments are not given.

Principal Responsibility:

It is the principal's responsibility to assure that all field trips are linked to learning opportunities for students.

It is the principal's responsibility to keep a calendar of all field trips for review at the end of the year.

It is the Principal's responsibility to make sure any travel during this time frame is related to competitive obligations such as Academic UIL, Ag, Band, Athletics, etc. and are approved by the campus administration at least **10 days** prior to the travel.
