

Scholarship Information for High School Senior Females in Ellis County from The Alpha Alpha Chapter Delta Kappa Gamma Society International: Advancing Key Women Educators for Life

The scholarship from the Alpha Alpha Chapter of the Delta Kappa Gamma Society International is offered to high school senior females in Ellis County who plan to pursue a career in education. The scholarship has a value of \$500.00. We hope you will aid us in our effort by informing capable future educators in your graduating senior class about this opportunity.

The essay component is the most critical part of the selection process. In the past, most applicants have had a top-level rank in their class and solid SAT/ACT scores. The essay allows the applicant to distinguish herself from other potential recipients. Please stress this to all interested students.

Please copy the application as necessary. You may submit more than one application from your school. Please send the completed application(s) to my mailing address or email address dated no later than Monday, March 11, 2024.

Our selection committee will make a decision on the recipient of this year's scholarship award in time to notify and congratulate this young woman and her family at our May 9, 2024 meeting. In addition, we would like to present the award, if appropriate, during your school's academic award ceremony.

If you have any questions, please feel free to contact me. Thank you.

Sincerely,

Evelyn Restivo

Complete each of the following items to share with our committee:

I. A list of offices held, awards received, extracurricular activities, leadership positions, other jobs and any work experiences you have had including those as an educator such as tutoring, class aide, mentorships, AVID programs, etc.

II. A list of three characteristics and reasons that you feel are the most valuable to become a truly dedicated teacher and your reason for that selection.

III. An essay (150-250 words) about yourself as a person who would thrive as an educator, what grade(s) and subject(s) you plan to teach and why they are of interest and

value for education, and finally, what talents you feel you would bring to the teaching profession.

IV. A high school transcript of course work and grades.
