This brochure is designed to assist parents in shopping for school clothes that meet the Ennis ISD Student Standardized Dress Policy as adopted by the Ennis ISD School Board on April 11, 2006 and amended July 8, 2014.

The color chart contained in this brochure accurately represents the approved uniform colors.

An article of clothing does not have to be from this list to be approved, but must be the equivalent in color and style.

Individual building principals will be the final authority as to compliance of dress policy.

Students who violate the Ennis ISD dress code and require frequent and ongoing correction from the administration will be deemed insubordinate. Consequences for insubordination will be considered serious. Administrative time is very valuable and is best spent working with staff on outstanding curriculum and instructional delivery rather than regularly correcting students about dress code issues.
