

Ennis Independent School District

Student Health Advisory Council AGENDA for Wednesday, January 12, 2022

- I. Call to Order - Wade Bishop

- II. Texas Mobile Imaging - Testing 1/12 - 1/18 at various locations within the district. Texas Mobile provides health screenings, preventative care. This service has been made available to all district employees and family members. EISD will visit with a representative from Texas Mobile imaging after all screenings have been completed to get a summary of screening numbers.

- III. Aim for Success - Participation surveys have been assessed by administration and campus nurses'. Moving forward, due to the new opt in laws. further discussion needs to be determined if the Aim for Success program will continue to meet the needs of our district.

- IV. Covid - Ennis ISD is following the most recent recommendations set forth by the CDC. Our district will continue to monitor, update and notify parents of any changes within our district. We will continue to use the dashboard for ongoing count of confirmed cases along with notifying

parents of confirmed cases within their student's classroom. Elementary campuses are notifying parents via email per individual classes. The secondary campuses are notifying parents via email at the end of the day to inform of the number of cases on campus.

- V. Narcan Grant - Narcan distributed to EHS, EJHS, Lummus & Miller. A few campuses have reported use of the Narcan on hand and have inquired about the possibility of being able to acquire more doses. The current stock was received through a yearly grant. EISD will look into other options to obtain more doses and report to the SHAC committee.
