No School

October 14th!

Parent Conference Week

Mark your Calendars for October 14th-18th. Be watching for information from your child's teacher on scheduling your conference to discuss your child's progress so far this year.

OCTOBER
IS
Fire Safety
Month

Be sure to discuss fire safety for your household with your child. During October, we will be talking about fire safety with our

students. It's also a good time to check your fire alarms and review a family safety plan, in case of an emergency! We will have a fire safety assembly for students on Friday, October 11th.

Attention Parents! Please remember to check your child's backpack every night! There is a lot of important information that comes home with your child each day! Please check their backpacks and folders for school notes, important reminders and fun things your child is doing in class!
