

Jack Lummus SBDMC 9/27/16

In Attendance: Evelyn Carter; John Hill; Kaylee Ensor; Laura Northcutt; Joselyn Newsom

Went over SBDM purposes regarding planning; budgeting; curriculum; professional development; staffing and school organizations.

Dances: Considerations made for having grade level dances. Must consider getting DJs for dances. Also move location of dance to outside or gym? Another concern was the number of students walking home. Students must be picked up at dance. A flyer needs to be sent home with expectations.

Spirit Days/Fundraiser: So far really good response from community and students. October 6<sup>th</sup> Cancer Support Day. Flyer needs to be sent home.

Safety Drills: Lockdown procedures went over. Will communicate with EISD Chief. Shelter in place discussed. Red bags in all class rooms. Make certain each teacher has updated class roster.

CIP: distributed electronically. Will review later date.

Celebrate more often: Committee tasked with coming up with more ways of getting our brand out to community. Are we doing a float this year?

Meeting adjourned: 4:27PM
