Introductions were made for all members.

Mr. White reviewed the agenda.

The committee completed the January / quarterly formative review of the performance objectives and strategies for the 2018 – 2019 CIP. No adjustments to strategies were made. A number of strategies that were “No Progress” for the first quarterly evaluation are now at “Some Progress” or “Considerable Progress.”

Discussion on a parent handbook for next year is being considered. This would be a site-based / PTO endeavor to provide these for all parents for the 2019-2020 school year.

Mr. White reviewed upcoming dates and events.

The next meeting is tentatively scheduled for March 20.

Meeting was adjourned.
