Students who violate the Ennis ISD dress code and require frequent and ongoing correction from the administration will be deemed insubordinate. Consequences for insubordination will be considered serious. Administrative time is very valuable and is best spent working with staff on outstanding curriculum and instructional delivery rather than regularly correcting students about dress code issues.

All clothes must fit appropriately and be worn with appropriate undergarments as deemed fit by the campus administration. Campus administration will have complete and final judgment on all matters concerning interpretation of the student dress code.
